

## 1960's Research Power Point Presentation

Your group will be responsible for researching information on one of the topics below. You do not need to write a whole works cited page, **but you do need to copy and paste the URLs of the sites you used for research.**

Create a power point presentation with at least 5 slides to show what you know about this topic in America in 1967. Include pictures, music and bulleted points (no long paragraphs)

You will present this to the class to connect your learning about the time period to the Outsiders.
