

Coffee Customers:

You're important! Did you know that? You are so important, you need to get everything you want the instant you want it. That's where Peet's Coffee and Tea comes in. We are a high quality, over-priced coffee shop that specializes in bending over backwards to meet your every obnoxious need. Do you have a specific drink you like made just your way? Why, yell at our baristas to make it right and they will do it again and again until you find the foam on your cappuccino acceptable. Don't worry about our employees – they are willing to take your abuse and listen to your every complaint. Don't hesitate to tell them when your latte doesn't taste right!

If you're running late when you come into Peet's – never fear! Our employees are happy to listen to you whine about how long the line is! Did you want that in a to go cup but forgot to say that with your order? No problem, throw your latte back over the counter – we have burn insurance. We want everything to go YOUR WAY. After all, we are here to serve you.

Don't bother to clean up after yourself – it's our pleasure to clear your table of trash and crumbled up pastries. Have a baby with a stinky diaper? Why, just change him in our restroom! Sure, there's no changing table, but that's no problem!

Here at Peet's, we look forward to serving your every need and fulfilling all your coffee dreams. \$3.50 is not too expensive for a chocolate bar because our chocolate is organic and the cocoa bean farmers are paid better than our own employees here at the store! So come on in, sit down and relax. We love when your order is complicated. Did you want a medium half-caf nonfat one pump vanilla latte with extra foam? Coming right up!!
