

Who Am I?

Collage Assignment

You will create a collage of pictures, words and images that describe who you are to present to the class. The items on the collage should represent who you are in some way. For example, you might have the word “girl” or “soccer” on the collage or some pictures of places you’ve traveled or food from your family’s culture. What defines you? What things are you truly passionate about?

Use an 8 ½ x 11 sheet of blank paper OR complete this on the computer using a powerpoint page or google slide show page. Use all the available space. Make your collage colorful, creative and thoughtful.
